Insight Data Science  
Palo Alto, California

Dear Insight Data Science Selection Committee,

I'm applying for the Insight Data Science fellowship in Toronto (or remote in Canada). My resume with detailed work experience in data science is enclosed. Based on the fellowship description, I think this experience looks both fun and challenging and a great place for me to further my career! I am a permanent residence of Canada and have submitted my thesis and waiting for a defense date.

And, if you have any questions about my resume, feel free to reach out over email or call me directly at my phone number in the signature.

Hope to hear from you soon,

Kindest Regards

Alireza Manashty
